

# Leadership+Management= Accountability

## HOW DO YOU CREATE ACCOUNTABILITY?

Accountability is the byproduct of great leadership and great management. You can't have one without the other.

Learn the difference between great leaders and managers, even with your own personality style. Learn how to hold your team members accountable – in a simplistic positive manner.

*“As a true entrepreneur and local Kansas City start-up business, the challenges we face on a daily basis are tremendous. We are constantly evolving, which can cause issues when staying on track towards our goals. Since we've hired Sonya as our Professional EOS Implementer, our vision and team morale is stronger than ever! She is a true advocate for the betterment of our business, and we feel very fortunate that the EOS process has brought Happy Food Co. to the next level. We highly recommend Sonya and the EOS program!”*
